

September is Cholesterol Awareness Month and we here at St. Marys Pharmacy & SMP Home Medical want to make sure you are keeping your Cholesterol in check. We hosted a Cholesterol Education Booth the week of September 20th - September 24th to hand out literature and information to customers on the healthy levels of Good Cholesterol "HDL" and Bad Cholesterol "LDL" and the types of Vitamins and Herbal Supplements we have available for you to control your Cholesterol levels better. St. Marys Pharmacy also offers a more detailed Cholesterol Screening with the break down of the different components of Cholesterol by appointment and the fee is \$25.
