

Hot Dog Fridays is St. Marys Pharmacy's way of showing Customer Appreciation while giving back to our Community. Several Fridays throughout the year St. Marys Pharmacy has a cookout and does Hot Dogs to show their customers how we appreciate their support. St. Mary's Pharmacy chooses a cause to support each time we host the Hot Dog Friday and we present donations given by members of our community back to the community by presenting those donations to the above mentioned cause. We hosted a Free Hot Dog Friday at the beginning of September and the cause we supported with the donations raised was the Boys and Girls Club of St. Marys PA.
